Michal Fein

Tel Aviv

Dear Michal,

On Behalf of MEPI / US Embassy in Tel Aviv, Amal Network, PON - the Program on Negotiation at Harvard Law School, and Ono Academic College, I would like to extend gratitude and appreciation for your contribution to making the NEGOTIATION IN PRACTICE CONFERENCE, on October 1, 2013, a great success.

The students were thrilled to learn about the new roles of the lawyer in the "shadow of the courts," as a collaborative problem solver rather than the adversarial role we have grown accustomed to, and to see how the methodology that they had learned, applies in real life. Thank you for volunteering your time, sharing your expertise, and inspiring Israeli's Arab and Jewish leaders of tomorrow.

Sincerely,

Shula Gilad, PhD

Senior Fellow
